A

Abstract Service, New, 146
Abstracts from the Brussels Conference Technical Papers, 357, 419
Accident-prevention Conference, 713
Accidents, Industrial, 50
Added Interest, 203
Advice on Exporting to the United States, 744
Aluminium Bronze, Pickling of, 291
Aluminium Casting Alloy Data Sheets, 232, 300
Aluminium Casting Alloys (Discussion), 315
Aluminium Casting Alloys, Production and Properties of, 439, 479, 537
Aluminium Ingots Colours, 691
American Plant Maintenance Show, 124
American Society for Testing Materials Awards, 78
Anglo-Italian Patents Agreement, 50
Appeal for Intensified Scrap Drive, 578
Appleby-Frodingham Extensions, 322, 519
Application of Time-study to Moulding Operations, 261
Apprentice Training, 95, 661
Apprentices and the Institute, 505
April Output, 54
Art Foundry Practice, More, 457
Associated Electrical Industries Limited, Capital Reconstruction, 75
Associated Engineering's Offer, 450
August Iron and Steel Production, 354
Austin Extension, 168
Australian Master Craftsman, 220
Avery's New Foundry, 116

B

Balanced Cores in Production Moulding, 627
Basic Cupola Melting and its Possibilities, 205
Battelle Memorial Institute, 744
Belgian Production Falls, 354
Birmid Industries Gala, 298
Blast-furnace Industry in Great Britain, 372
Blast-furnace Requirements for Europe, 226
Board of Trade Investigation into Specialloid's Affairs, 343

Book Reviews :—
Analisi dei Difetti di Fonderia (Analysis of Casting Defects), 77
